Dear John,

We would like to invite your group to be part of an exciting event on the April 28th, 2012 – the Ferny Grove Festival.

The event

The Festival will be a whole of community event, showcasing the best local entertainment, food and community groups. It will feature market stalls, rides and activities for all ages, and will run from 12 – 7 pm.

We anticipate large crowds and widespread interest across the community, with extensive publicity planned for the months leading up to the festival.

The benefits

The Festival will draw together the community surrounding Ferny Grove, reminiscent of days past, providing an opportunity for people to connect, share and simply have fun.

Proceeds from the Festival will directly benefit the Ferny Grove State School community, including current and future students as well as numerous community groups who access the school's facilities – community in action!

Participation opportunities

The Ferny Grove Festival provides an excellent chance for your group to demonstrate its proud community spirit and inform the community about your group. We are pleased to be able to offer your group free stall space to promote itself – all we ask in return is that you run a free activity for Festival-goers to engage visitors and make your time worthwhile! We've provided some low-cost ideas in the pages attached, but also encourage you to create your own draw-card – possibly something that reflects what your organisation stands for.

The Community Showcase will run from 12 – 4 pm, finishing up before the evening entertainment and fireworks. Attached is an information pack with more details and an application form. We will contact you within the next 2 weeks, and look forward to hearing how your group would like to be a part of the day. We are keen for this to be a 'win-win' situation!

In the meantime, please feel free to contact Yvette Edwards on 0409 317 553 if you have any questions.

Yours sincerely,

Yvette Edwards
